Jane,

Thank you so much for the email. Would it be asking too much if you submitted it on March 30 or 31<sup>st</sup>? I return from my vacation on the 31<sup>st</sup> so that timing would be great.

Really appreciate it if that's doable.

Tina

Hi Tina,

I know you mentioned traveling to help your parents and to go on vacation this month. When is a good time that works with your schedule to submit the 2021 IR? The WARD work is 99% done and I'm starting to edit Section 6, run the appendices and make the necessary changes to the GIS layers.

Good luck with your parents and have a great vacation!

Thanks, Jane
